

CryoPen® B+

● Ø 1-4mm | ○ Ø 2-6mm | ● Ø 4-8mm
Power: ■ | Power: ■■ | Power: ■■■

With better control of procedures the CryoPen B+ sets new standards for superb outcomes.

The CryoPen B+ dispenses a fine jet of nitrous oxide under high pressure which allows you to work with millimeter precision.

It offers the ideal solution for accurate, quick, effective stress free treatment of all skin imperfections.

Instrument

This instrument is well prepared for treatment opportunities where much freezing power is required.

Potential Users

GP's, Podiatrists, Veterinarians, Urologists, Gynecologists.

Cartridges
